

hi, this is a recipe pdf where I teach you how to make a recipe file

### **RECIPE FILE**

crispy recipe file that yields 4 servings

prep: 1 min | cook time: 2 hours | total: 2 hours 1 min

### **INGREDIENTS**

2lbs recipe file

1 tablespoon salt

1 teaspoon full points on this assignment

A pinch of humor for taste

### **INSTRUCTIONS**

- 1). Place all items into a bowl and let sit for two hours
- 2). let recipe file cool down for another 10 minutes before eating, as you don't want to burn your tongue
